

Declaration of Conformity

Manufacturer's Name: IonCleanse®
Manufacturer's Address: 2950 S. Jamaica Ct., #201, Aurora, CO 80045

The manufacturer hereby declares that the product

Product Name: Electronic Detoxification System
Model Numbers: IonCleanse®

Complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including that may cause undesired operation.

I have determined and warrant that above described device has been shown to comply with the requirements of the FCC Part 15, subpart B, class B, by having a device tested at the Hewlett Packard Hardware Test Center, which is accredited by A2LA (accreditation No. 905.01). Each unit marketed is identical to the device tested. Compliance assumes no unauthorized changes will be made to the equipment and it will be maintained and operated properly. A test report will be maintained for a period at least 2 years after manufacturing ceases. It is also understood that any changes to the device which could adversely affect the emission characteristics of this equipment will require retesting.
