

Limited Warranty

This three-year replacement warranty covers Wellness Pro 2010 units purchased through Electromedical Technologies and/or their franchises and designated approved distributors.

This warranty **excludes** defects due to:

- Abuse
- Misuse
- Accidental damage (dropped, waterlogged, use with unauthorized attachments)
- Unauthorized use by anyone other than purchaser
- Damage from uninsured shipping
- Inappropriate repackaging for return
- Failure to submit in-depth reason for return

Any implied warranty is limited in duration to that of this written Limited Warranty. We make no express warranty other than those mentioned herein.

Registration*

*This Registration will entitle you to receive information on advanced Electromedical Technology products presently under research and development as well as notification of optional upgrades that become available.

Repair

This instrument is rugged and almost physically indestructible - but it is "electronic sensitive" because of complex digital circuitry. Quality control testing is conducted to the highest FDA, ISO, ETL, IEC and CE standards prior to shipping.

Check out your instrument thoroughly prior to concluding you have a repair problem. Go through the checklist several times - just missing one simple "step" could be (and most times is) the reason for concluding you may have a possible repair problem. If it is still unsuccessful, please call, write or email us.

Register your instrument and Warranty via:

Fax: 480.452.1518 • Phone: 1.888.880.7888 • web: www.electromedtech.com

Caution: Federal law restricts this device to sale by or on the order of a practitioner licensed by the law of the State in which he/she practices to use or order the use of the device.
